

QUARTERLY FLAT PRODUCT FORECASTS

Slabs, plates, CRC, HRC, coated steel

Editor: Alexandr Markov
E-mail: a.markov@metalcourier.com

Part 1.

Price forecast Q1–Q2 2006

pp 2–49

Part 2.

Rolling capacities of the CIS countries

pp 50–64

February 2006

Part 1. Price forecast Q1-Q2 2006

Contents

Price forecast	3
Russian market prospects	5
- Russian flat product market structure	5
- consuming industries: situation and development	6
- domestic market price prospects	8
Ukrainian market prospects	14
- Ukrainian flat product market structure	14
- consuming industries: situation and development prospects	15
- domestic market price prospects	16
Major world markets prospects	21
- Far East	21
- factor analysis	21
- major directions in the foreign trade	23
- Middle East	24
- factor analysis	24
- major directions in the foreign trade	25
- USA	26
- factor analysis	26
- major directions in the foreign trade	28
- EU	28
- factor analysis	28
- major directions in the foreign trade	30
CIS export prospects	37

List of tables

Flat product market: prices and forecasts	4
Estimation and forecast of Russian flat product consumption	9
Structure of flat product shipments by Russian producers	9
Estimation of Russian flat product consumption	10
Production volumes in the consuming industries	10
Structure of flat products consumption in Russia	10
Statistics of Russian flat products import	11
Estimation of flat product regional consumption in Russia	12
Regional consumption dynamics in the submarket	13
Structure of flat products shipment by Ukrainian producers	18
Estimation of Ukrainian flat product consumption	19
Production in consuming industries	19
Structure of flat products consumption in Ukraine	19
Statistics of Ukrainian flat products import	20
World trade	31
CIS market share in world slab trade	31
CIS market share in world flat product trade	31
Major countries-importers of slabs	32
Major countries-exporters of slabs	32
Major countries-importers of flat products	33
Major countries-exporters of flat products	33
Geography of flat product import to China	34
Chinese flat product export geography	34
Japanese flat product export geography	35
Geography of flat product import to USA	36
Geography of flat product import to EU	36
European flat product export geography	37
Russian flat products export	42
Ukrainian flat products export	42
Statistics of Russian, Ukrainian and Kazakh flat products export	43
Russian slab export geography	44
Ukrainian slab export geography	44
Russian flat product export geography	45
Ukrainian flat product export geography	45

Part 2. Rolling capacities of the CIS countries

Contents

Major trends in CIS production capacity change	51
Russia	51
- Amurmetal	51
- Asha Steel Mill	52
- VIZ-Stal	52
- Kamastal	53
- Magnitogorsk Steel Works	53
- Chelyabinsk Steel Works	54
- Kuzmin Metallurgical Plant	55
- Novokuznetsk Steel Works	55
- ZSMK	55
- Nizhny Tagil Steel Works	55
- Novolipetsk Steel Works	56
- Severstal	57
- Uralsteel	58
Ukraine	59
- Azovstal	59
- Alchevsk Steel Works	60
- Petrovsky Steel Works	61
- Donetsk Steel Works	61
- Zaporozhstal	61
- Ilyich	62
Kazakhstan	63
- Mittal Steel Temirtau	63

List of tables

Structure of major production capacities of Amurmetal	52
Structure of major production capacities of Asha Steel Mill	52
Structure of major production capacities of VIZ-Stal	53
Structure of major production capacities of Kamastal	53
Structure of major production capacities of Magnitogorsk Steel Works	54
Structure of major production capacities of Chelyabinsk Steel Works	55
Structure of major production capacities of Kuzmin Metallurgical Plant	55
Structure of major production capacities of Novokuznetsk Steel Works	56
Structure of major production capacities of Novolipetsk Steel Works	57
Structure of major production capacities of Severstal	58
Structure of major production capacities of Uralsteel	59
Structure of major production capacities of Azovstal	60
Structure of major production capacities of Alchevsk Steel Works	61
Structure of major production capacities of Petrovsky Steel Works	61
Structure of major production capacities of Donetsk Steel Works	62
Structure of major production capacities of Zaporozhstal	63
Structure of major production capacities of Ilyich	63
Structure of major production capacities of Mittal Steel Temirtau	63
Production capacity utilization by the CIS enterprises	64
